

For non-US patients with Fabry disease, patient advocacy groups, healthcare professionals and media

Changing minds. Changing lives.

Ask a Fabry Expert!

This Fabry Awareness Month, join us live on Twitter to explore the impact that Fabry disease has on patients and their families, and to discuss the importance of talking to your relatives about your Fabry family tree.

When?

Thursday 20th April at 3pm BST

Where?

Use **#letstalkfabry** to be part of the conversation or just to follow. You can submit questions for our expert panel at any time before or during the live Q&A.

Who?

Our expert panel will include a patient group representative, a genealogist and a clinician.

Follow **@rare2aware** on Twitter for the latest updates!
